9 As Jesus passed on from there, he saw a man called Matthew sitting at the tax office; and he said to him, "Follow me." And he rose and followed him. 10 And as he sat at table in the house, behold, many tax collectors and sinners came and sat down with Jesus and his disciples. 11 And when the Pharisees saw this, they said to his disciples, "Why does your teacher eat with tax collectors and sinners?" 12 But when he heard it, he said, "Those who are well have no need of a physician, but those who are sick. 13 Go and learn what this means, 'I desire mercy, and not sacrifice.' For I came not to call the righteous, but sinners."

(Mt 9:9-13)

#### Only Having Insurance “Through Work” Doesn’t Work

Do you know anyone whose life or career has drastically changed during these years of economic downturn? It’s very likely that someone in your immediate or extended family or group of friends is facing financial uncertainty. Maybe there’s a possibility that you (or your spouse) could lose your job or change employers.

Too many people have often relied on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that personally-owned life insurance is not necessary.

But only having “through work” insurance can leave you and your family vulnerable. Most group life insurance policies are limited in amount, which may be tied to salary or some other benchmark. These numbers are often capped, and this cap may be dangerously low when compared to your family’s actual needs. In fact, a detailed needs analysis that evaluates your specific situation, will likely show that any employer-provided coverage falls short.

In addition, the amount of group insurance offered is almost always reduced, sometimes dramatically, when you retire. You could one day find yourself without coverage, and if your health has changed (which it will as you age), you might also find yourself unable to secure individual protection. At the very least, it will definitely be more expensive.

While group life insurance can help, it does not replace the need for individually owned life insurance. I’ll be happy to meet with you and provide a no-cost needs analysis, so you’ll know exactly where you stand.

### A Prayer for Our Military

Merciful Lord, We humbly pray for Your Almighty protection for all those in service to our county. Help and strengthen them all in the righteous struggle for the preservation of liberty and justice for all mankind. Make them ever mindful of their duty to our country and fill them with courage and loyalty. Amen

### Prayer to St. Michael the Archangel

Saint Michael the Archangel defend us in battle. Be our protection against the wickedness and snares of the devil. May God rebuke him, we humbly pray; and do thou, O prince of the Heavenly Host – by the Divine Power of God – cast into hell, Satan and all the evil spirits, who roam throughout the world seeking the ruin of souls. Amen
