

Knights of Columbus

Father Veryser Council #13810

Past & Upcoming Events...Remember men all these things need your attendance to make them a success...please join us for the following...

On April 14, the Knights welcomed those men who are studying for the Permanent Deaconite and their wives. This meeting is a monthly event for the Deaconate and the first time at St. Linus. We received nothing but praise from the people who attended. We had a light snack of coffee, donuts bagels and orange juice and then we helped the CWC with lunch. Our Worthy Chancellor, **Ed Robinson**, wowed them with his knowledge of the Divine Mercy.

We hosted the Divine Mercy Novena last month and we averaged 38 people a night. Fr. Bob heard confessions and then offered Mass for those in attendance on Sunday, April 15, to close the Novena. The people who attended were impressed. We could have used a few more Knights at the novena.

Mother's Day Brunch... Wow 412 people were served surpassing last years total by more than 70 people. Thanks to all of the Knights who sacrificed their day with their families to help out. Our total profit for the day was \$1784.73! Next time you see the **Osinski's** or **Kuzniar's** remember to thank them for all of their hard work.

Election Notice... We will continue to accept nominations for Officers for the 2007-2008 year. May is the second and final call for nomination. Elections will take place in June before our meeting. We will have the results by the end of the meeting.

Family Fun Day... Our 2nd Annual Family Fun Day is scheduled for June 10th, 2007 after 12:00 Mass; we will be serving Hot Dogs, Hamburgers, Chips, Pop. Our Worthy Program Director is procuring a Moon Walk and the Officers have gone in on a Gigantic Water Slide, kudos to our Financial Secretary **Ed Barszcz** for donating 1/2 of the money for this. This event will need a number of volunteers from our forces so please make an attempt to be there.

Corporate Communion & Installation of Officers... July 15th, 2007- 10:00am Mass. We will be reserving a large section of the Church for this event...after Mass we will serve coffee, donuts, bagels, etc. in the activities room, please bring your families.

Due to the extremely busy schedules of our officers the May newsletter is being replaced by this document...we will again mail your June Newsletter with more details on our upcoming events in a week or two...

Thanks!!!
