Brother Knights,

I hope everyone had a great summer. It is Festival time! September 10th -13th here at St. Linus, and being a parish council we, as a council, strive to support the parish. There are plenty of opportunities to volunteer and spread the good work we do and at the same time help our church. If you find yourself with a few free hours to help, you can help setting up the many booths during Labor Day after 9am Mass. You can also help during festival manning a booth or Vegas night; we also need your help on Monday for tear down.

We have a Euchre Night on September 26th in the Activities Room beginning at 7:00 pm. I encourage everyone interested to come whether you play or just want to help out. This is a great time for you and your friends to play a friendly game of cards, and who knows, maybe win some prize money. As usual you don't need a partner to play, but you can invite friends & family to join.

There will be two, Mass of Thanksgiving for Fr. Ed Gardner. The first one will be on September 27 @ 1 pm at St. Linus. All are welcome there will be lite refreshments after Mass. The second one will be on Saturday October 10th A.D. 2015 at 10 o'clock a.m. at the Felician Sisters of Livonia 36800 Schoolcraft Road Livonia, Michigan 48150-1172

October 17th is our bi-annual Tootsie Roll Drive. If interested, please see the corner captains for times and sign-ups. You can sign up at our September meeting. If you have the time, please help, a few hours of your time mean a lot to those in need. If you cannot attend the meeting and would like to help, please email me at jzeolla@comcast.net for sign-ups.

Vivat Jesus!

Only Having Insurance "Through Work" Doesn't Work

Do you know anyone whose life or career has drastically changed during these years of economic downturn? It's very likely that someone in your immediate or extended family or group of friends is facing financial uncertainty. Maybe there's a possibility that you (or your spouse) could lose your job or change employers.

Too many people have often relied on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that personally-owned life insurance is not necessary.

But only having "through work" insurance can leave you and your family vulnerable. Most group life insurance policies are limited in amount, which may be tied to salary or some other benchmark. These numbers are often capped, and this cap may be dangerously low when compared to your family's actual needs. In fact, a detailed needs analysis that evaluates your specific situation, will likely show that any employer-provided coverage falls short.

In addition, the amount of group insurance offered is almost always reduced, sometimes dramatically, when you retire. You could one day find yourself without coverage, and if your health has changed (which it will as you age), you might also find yourself unable to secure individual protection. At the very least, it will definitely be more expensive.

While group life insurance can help, it does not replace the need for individually owned life insurance. I'll be happy to meet with you and provide a no-cost needs analysis, so you'll know exactly where you stand.
