Brother Knights, Vivat Jesus!

I hope everyone had a great summer. It is Festival time! September 8th -11th here at St. Linus, and being a parish council we, as a council, strive to support the parish. There are plenty of opportunities to volunteer and spread the good work we do and at the same time help our church. If you find yourself with a few free hours to help, you can help setting up the many booths during Labor Day after 9am Mass. You can also help during festival manning a booth; we also need your help on Monday for tear down.

We have a Euchre Night on September 24th in the Activities Room beginning at 7:00 pm. I encourage everyone interested to come whether you play or just want to help out. This is a great time for you and your friends to play a friendly game of cards, and who knows, maybe win some prize money. As usual you don't need a partner to play, but you can invite friends & family to join.

October 8th is our bi-annual Tootsie Roll Drive. If interested, please see the corner captains for times and sign-ups. You can sign up at our September meeting. If you have the time, please help, a few hours of your time mean a lot to those in need. If you cannot attend the meeting and would like to help, please email me at izeolla@comcast.net for sign-ups.

May God bless you and Your Family!
Joe Zeolla

Knights of Columbus Insurance

The Value of Life Insurance for Children

As a father, you worry about your children and do everything you can to protect them. You try to raise them right and make sure they are prepared to become adults. But have you ever thought about buying life insurance for your child?

When you insure a child, you are protecting his or her future. Did you know that one out of every six adults get rated, postponed, or denied for insurance coverage? If you purchase a policy for your child from the Knights of Columbus with a guaranteed purchase option, it guarantees that more insurance can be purchased for that child at certain set dates, without proving insurability.

Unfortunately, as fathers we don't have a crystal ball, and we don't know what the future may have in store for our children's health. But did you know that right now you can purchase a child's policy, in many cases, for less than \$10 a month?

I've heard it said that people don't want to "profit" from the death of a child, so they won't purchase coverage on their children. God forbid something tragic happens, those funds can come in handy at a time when finances will be the last thing on a parent's mind. I have never heard a story about someone who regretted buying coverage on their child. Contact me today to discuss the many policy options for child plans, including 10- and 20-Pay life insurance.

A Prayer for Our Military

Merciful Lord, We humbly pray for Your Almighty protection for all those in service to our country. Help and strengthen them all in the righteous struggle for the preservation of liberty and justice for all mankind. Make them ever mindful of their duty to our country and fill them with courage and loyalty. Amen

Prayer to St. Michael the Archangel

Saint Michael the Archangel defend us in battle. Be our protection against the wickedness and snares of the devil. May God rebuke him, we humbly pray; and do thou, O prince of the Heavenly Host – by the Divine Power of God – cast into hell, Satan and all the evil spirits, who roam throughout the world seeking the ruin of souls. Amen
